MEMORANDUM FOR MR. [REDACTED]

25X1A

Subject: Biographical Data on Foreign Scientific and Technological Personalities

1. Herewith are the proposals about biographical data on foreign scientific and technological personalities which all of the IAC Standing Committee, except Navy, has already agreed to. Navy is going to telephone me, I hope, within a week confirming its probable agreement.

2. In the meantime you may wish to have your people sell this to the working level in Navy and also to show a copy to your opposite number in State.
